*Vision: All eligible families in residing in the City of Long Beach will have access to preventive health care services appropriate to their eligibility and resources availability.*

Our meetings take place the 4<sup>th</sup> Thursday of every month from 9-10:30AM. Collaborative members will receive updates on Medi-Cal, Healthy Families, Healthy Kids, Kaiser Permanente Child Health Plan, and other community health resources and services. This is also a great forum for members to network with health department officials, school district representatives, community workers, community-based organizations, community clinics, health plan partners, and Certified Application Assistors. For more information, please contact the Medi-Cal Outreach Program at (562) 570-7979. We look forward to working together with you to serve the community!

## ONGOING COMMUNITY OUTREACH, ENROLLMENT, UTILIZATION & RETENTION SERVICES IN LONG BEACH

Certified Application Assistors are available in the community to educate and assist eligible families in applying for Medi-Cal, Healthy Families, Healthy Kids, or other free and low-cost health care programs depending on their eligibility and resource availability. Advocates also educate families on how to use and keep their benefits. Please refer families to a location that is closest to where they live.

*Note: Schedule is subject to change, best to call first.*
